

Privacy Policy

Effective Date: 20.12.2024

Welcome to Hype!

Hype, accessible via hype.fun, is operating in the decentralized finance (DeFi) space, Hype prioritizes privacy and transparency while maintaining robust security for its users.

Hype is committed to safeguarding your personal data and providing transparency about how we use your information. This Privacy Policy explains what information we collect, why we collect it, and how you can control your personal data.

1. Information We Collect

a. Information You Provide to Us

- **Account Information:** When you create an account, we collect information such as your wallet address and username. We do not collect emails or other personal identifiers.
- **Profile Information:** You may choose to provide additional details, like a profile picture, to personalize your experience.

b. Information We Automatically Collect

- **Usage Data:** We collect information about your interactions with the platform, such as the features you use and the tokens you mint or burn.
- **Device Information:** Information about the device you use, including IP address, browser type, and operating system, is collected to enhance platform security and performance.

c. Information from Third Parties

- We may receive information from third-party platforms, such as social media accounts that you link to Hype.

2. How We Use Your Information

- **Disclaimer Regarding Social Media Accounts:** Tokens on Hype are created based on public data related to social media accounts. These tokens are not affiliated with, endorsed by, or officially connected to the owners of these social media accounts. The platform operates independently and users are responsible for the tokens they create and mint.
- **To Provide Our Services:** We use your information to facilitate token creation, minting, and burning, as well as to process transactions.
- **To Improve User Experience:** Information collected helps us understand user preferences and enhance our services.

- **Security and Compliance:** Your data helps us maintain a secure environment and comply with legal obligations.

3. Sharing Your Information

a. Social Media Account Information

- Tokens linked to social media accounts are based solely on publicly available data. Hype does not claim any ownership or rights to the linked social media accounts, and the platform does not represent an endorsement or partnership with these accounts.

a. With Third-Party Service Providers

- We may share your information with service providers who assist us in delivering our services (e.g., analytics providers). However, since we do not collect emails, no email data is shared with these providers.

b. With Legal Authorities

- We will share your information if required by law or in response to a valid legal request, such as a subpoena or court order.

4. Your Rights

- **Access and Update:** You can access and update your account information directly through your profile settings.
- **Deletion:** You may request the deletion of your personal data by contacting us. Note that some data may be retained to comply with legal obligations.

5. Data Security

We employ industry-standard measures to protect your personal data from unauthorized access, alteration, or destruction. As a DeFi platform, we prioritize decentralization and transparency to ensure secure interactions without requiring sensitive personal information like email addresses. However, please note that no method of transmission over the internet is completely secure.

6. Children's Privacy

Our platform is not intended for individuals under the age of 18. We do not knowingly collect personal information from minors.

7. Liability Disclaimer for Social Media Tokenization

Hype operates as a platform for creating and trading tokens linked to social media accounts. These tokens are independently created by users and are not associated with or approved by the owners of the social media accounts. Hype is not liable for any disputes, claims, or damages arising from the use of tokens linked to these accounts. Users are solely

responsible for ensuring that their activities comply with applicable laws and the rights of third parties.

8. Changes to This Privacy Policy

We may update this Privacy Policy from time to time. If changes are made, we will notify you by updating the "Effective Date" at the top of this policy and, in some cases, provide additional notice via platform announcements.
